Course Entry Requirement and Prerequisites

Ripponlea Institute requires that students undertaking the Certificate II in Applied Language would have previously studied the target Language for at least one year.

It should also be noted that the successful completion of the Certificate II in Applied Language is an entry requirement for the Certificate III in Applied Language.

There are also opportunities for students who are native speakers, or who have completed studies in Languages at senior Certificate of Education level, to complete an assessment-only pathway.

Suggested Classroom Hours

The allocation of sufficient face-to-face class time is critical to ensuring that the course outcomes are able to be achieved by students. Ripponlea Institute requires students to have completed at least one year of study in the target Language, before enrolling in the Certificate II. The recommended minimum allocation of class time is as follows:

Certificate II – 2 hours per week Certificate III – 2.5 hours per week

Structured Workplace Learning

Structured Workplace Learning (SWL) is not a requirement for this program. However, Ripponlea Institute strongly recommends that students undertake a minimum of five days SWL for each year of their VET Applied Language program. SWL should be spread across the duration of the training program.

Contribution to Senior Certificate of Education, and Australian Tertiary Admissions Rank (ATAR)

The VET Certificates II and III in Applied Language may contribute to meeting the student eligibility requirements for their senior Certificate of Education. The VET qualifications may also contribute to the calculation of the university aggregate and Australian Tertiary Admission Rank (ATAR). These arrangements will vary between States/Territories, and schools must consult with their local education and/or training authorities.

Delivery and Funding

Ripponlea Institute is a Registered Training Organisation (RTO) delivering the VET Applied Language qualifications in partnership with secondary schools. Fees and charges will be provided on request, as these may vary depending on school sector and location. Schools must consult with the relevant education and/or training authorities regarding funding for VET delivered to secondary school students.

Certificate IV in Training and Assessment

All teachers delivering VET require a current Certificate IV in Training and Assessment. Ripponlea Institute is a provider of the TAE40116 qualification and specialises in working with secondary school teachers.
